

Government of the District of Columbia  
Department of For-Hire Vehicles

**ADMINISTRATIVE ISSUANCE:**

**Two-Year One-Stop Vehicle Registration Option**

**Series/Number: AI-2024-01**

**Approved: September 12, 2024**

**Effective: September 12, 2024**

**I. BACKGROUND AND PURPOSE**

The Department of For-Hire Vehicles (“DFHV” or “Department”) is charged with the continuance, development, and improvement of the District’s public vehicle-for-hire industry, and with the overall regulation of for-hire vehicles. *See* D.C. OFFICIAL CODE §§ 50-301.07 and 50-301.13. The Department is committed to increasing competition, expanding consumer choice, and improving customer experiences across the vehicle-for-hire spectrum. In recognition of the evolving needs of our stakeholders and in the interest of promoting an efficient regulatory framework, DFHV has undertaken a review of its licensing procedures.

DFHV has decided to implement a more flexible approach by allowing both one-year and two-year One Stop Vehicle Registrations for taxicab vehicles instead of annually. This leniency aims to reduce administrative burden and foster a reasonable and effective vehicle registration process.

The fee for a two-year vehicle registration shall be \$100. This streamlined vehicle registration process shall remain in effect until 2028 unless this Administrative Issuance (AI) is superseded by a subsequent AI or rulemaking.

**II. AUTHORITY**

Establishment Act, D.C. OFFICIAL CODE § 50-301, *et seq.*; 31 DCMR §§ 505, 608, 827, 1010, and 1215.

**III. PROCEDURE**

Starting Monday, September 12, 2024, until December 31, 2028, DFHV will implement an updated One Stop Application process, offering both one-year and two-year vehicle registration options. The fee for a two-year vehicle registration shall be \$100. All public for-hire vehicles will be eligible for the two-year vehicle registration option, provided that each vehicle meets the requirement of being at least two years from retirement due to the vehicle’s age. All other laws and regulations applicable to District-licensed public vehicle-for-hire operators, including Department of Motor Vehicles inspections will remain in effect.
