| 2 | 10:01 a.m. |
| 3 | CHAIRPERSON LINTON: Good morning |
| 4 | and let me call to order D.C. Taxicab |
| 5 | Commission for our April meeting here at One |
| 6 | Judiciary Square. |
| 7 | It's 10:00 a.m. in the morning. |
| 8 | And I'm going to start it on time to |
| 9 | accommodate two of my commissioners who have |
| 10 | other demands on their schedule that is going |
| 11 | to cause them to have to leave us. So we want |
| 12 | to take care of our business before the quorum |
| 13 | goes. |
| 14 | But we will start with our normal |
| 15 | of silence to honor those who have given their |
| 16 | lives on behalf of their country and their |
| 17 | community. And if you'll join me in just a |
| 18 | moment of silence. |
| 19 | Thank you. |
| 20 | The secretary will determine the |
| 21 | existence of a quorum. |
| 22 | MS. MIXON: Commissioner Burns. |
| | |

| 1 | COMMISSIONER BURNS: Present. |
|----------|-----------------------------------------------|
| 2 | MS. MIXON: Commissioner Cohn. |
| 3 | COMMISSIONER COHN: Present. |
| 4 | MS. MIXON: Commissioner Crocker. |
| 5 | COMMISSIONER CROCKER: Present. |
| 6 | MS. MIXON: Commissioner Ferguson. |
| 7 | (No audible response.) |
| 8 | Commissioner Muhammad. |
| 9 | (No audible response.) |
| 10 | Commissioner Smalls. |
| 11 | (No audible response.) |
| 12 | Commissioner Tapscott. |
| 13 | COMMISSIONER TAPSCOTT: Present. |
| | MS. MIXON: Commissioner Linton. |
| 15 | CHAIRPERSON LINTON: Present. |
| 16 | A quorum being in the in order. |
| 17 | We will proceed with our agenda. |
| 18 | Are there any communications to |
| 10 | the Commission, at this time, or remarks that |
| 20 | any commissioners which to make? |
| 20 | Commissioner Tapscott, |
| 21 22 | Commissioner Crocker. |
| | |
| | |

| | rage 5 |
|----|------------------------------------------------|
| 1 | COMMISSIONER COHN: A couple of |
| 2 | CHAIRPERSON LINTON: Yes, go |
| 3 | ahead. |
| 4 | COMMISSIONER COHN: I just want to |
| 5 | apologize for my coming absence. I don't |
| 6 | normally have things to do on the commission |
| 7 | days, but for those who are going to testify |
| 8 | later, please excuse my absence. |
| 9 | CHAIRPERSON LINTON: We certainly |
| 10 | do, Mr. Cohn. Nobody has devoted more time |
| 11 | and more energy to the work of this commission |
| 12 | than you have. And we appreciate it greatly, |
| 13 | the amount of time you have taken. |
| 14 | Commissioner Burns? |
| 15 | COMMISSIONER BURNS: No, sir. |
| 16 | CHAIRPERSON LINTON: Okay. We'll |
| 17 | proceed then to Commission Action Items. We |
| 18 | have six votes to cast this morning. |
| 19 | Before we get in to them, I do |
| 20 | want the record to show that the Commission |
| 21 | deeply appreciates the work that its panel on |
| 22 | industry did over a period of three or four |
| | |

| 1 | months, led by Commissioner Cohn, to develop |
|----|-----------------------------------------------|
| 2 | a report to the Commission on an approach to |
| 3 | regulating and managing the proposed private |
| 4 | sedan service that some people call ride |
| 5 | sharing. We prefer to call it private sedan, |
| 6 | as ride sharing has a particular federal |
| 7 | definition, which they don't meet. |
| 8 | At any rate, let the record show |
| 9 | that Commissioner Cohn, aided by Commissioner |
| 10 | Burns, and joined by, I believe Commissioner |
| 11 | Smalls was present at a number of meetings. |
| 12 | Did a yeoman's job of meeting with the |
| 13 | stakeholders, research study supported by the |
| 14 | General Counsel. And I think produced a |
| 15 | significant document, which we are following |
| 16 | on here today. And one of our votes will be |
| 17 | to publish a proposed regulation based upon |
| 18 | the recommendations of the panel. |
| 19 | And I think as all of you are |
| 20 | aware, that if the vote is to publish, that |
| 21 | starts the regulatory process; it doesn't end |
| 22 | it. We go into a 30 day comment period. We |
| | |

| 1 | have scheduled a public hearing on the matter |
|----|------------------------------------------------|
| 2 | for, I believe, Ms. Madam Secretary, the 30th |
| 3 | of |
| 4 | MS. MIXON: April. |
| 5 | CHAIRPERSON LINTON: April. |
| 6 | And so it's a very important one that I hope |
| 7 | everybody will carefully study this matter. |
| 8 | Yes. |
| 9 | COMMISSIONER COHN: I think the |
| 10 | General Counsel had |
| 11 | CHAIRPERSON LINTON: Well, I did |
| 12 | mention the General Counsel. Of course, |
| 13 | everybody who knows the secretary knows, that |
| 14 | without her, this Commission doesn't function. |
| 15 | So we thank the secretary for the many hours |
| 16 | that she devoted. |
| 17 | We have before us Item Number 1, |
| 18 | vote to approve publication of final rule |
| 19 | making in Chapter 16, dispatch services. Is |
| 20 | there a motion to adopt? |
| 21 | COMMISSIONER COHN: So moved. |
| 22 | CHAIRPERSON LINTON: Support? |
| | |

| 1 | COMMISSIONER BURNS: Second. |
|----|---------------------------------------------|
| 2 | CHAIRPERSON LINTON: It's been |
| 3 | moved and seconded. The secretary will call |
| 4 | the roll. |
| 5 | MS. MIXON: Commissioner Burns. |
| 6 | COMMISSIONER BURNS: Aye. |
| 7 | MS. MIXON: Commissioner Cohn. |
| 8 | COMMISSIONER COHN: Yes. |
| 9 | MS. MIXON: Commissioner Crocker. |
| 10 | COMMISSIONER CROCKER: Yes. |
| 11 | MS. MIXON: Commissioner Ferguson. |
| 12 | (No audible response.) |
| 13 | Commissioner Muhammad. |
| 14 | (No audible response.) |
| 15 | Commissioner Smalls. |
| 16 | (No audible response.) |
| 17 | Commissioner Tapscott. |
| 18 | COMMISSIONER TAPSCOTT: Yes. |
| 19 | MS. MIXON: Commissioner Linton. |
| 20 | CHAIRPERSON LINTON: Yes. |
| 21 | A majority having voted in the |
| 22 | affirmative, the Commission orders that the |
| | |

| 1 | rule for Chapter 16 be published as final. |
|----|------------------------------------------------|
| 2 | Second item on the agenda, a vote |
| 3 | to approve publication of proposed rule making |
| 4 | Chapter 5, Taxicab company parking. |
| 5 | This is a response to a request to |
| 6 | the neighborhoods up in Ward 5, where they |
| 7 | have been a considerable problem over the |
| 8 | parking of out-of-service taxicabs overnight. |
| 9 | And in some cases, for days on the streets. |
| 10 | There was an appeal to us to do |
| 11 | something about it. We advised the |
| 12 | neighborhood that the responsibility for |
| 13 | street parking fell to the Department of |
| 14 | Public Works, DDOT, and the police department. |
| 15 | But in order to assure that the drivers were |
| 16 | not unnecessarily penalized, we've adopted or |
| 17 | propose to adopt, it will have to go through |
| 18 | rule making, with a comment period, that a |
| 19 | requirements on the companies around whom |
| 20 | these vehicles are situated, that they are |
| 21 | obligated to provide off street parking to |
| 22 | out-of-service and unusable vehicles. Rather |
| | |

| 1 | than leaving them in neighborhood parking |
|----|------------------------------------------------|
| 2 | spots and subjecting the owners of those |
| 3 | vehicles to ticketing from the police |
| 4 | department. |
| 5 | So we hope that what this rule |
| 6 | does is combine with what DDOT and MPD plan to |
| 7 | do. That it solves the problem without |
| 8 | penalty to anybody. |
| 9 | So with that explanation, again, |
| 10 | this is the beginning of the rule making on |
| 11 | it. There will be a 30 day comment period. |
| 12 | Is there a vote to move to |
| 13 | publish? |
| 14 | COMMISSIONER COHN: So moved. |
| 15 | CHAIRPERSON LINTON: Second? |
| 16 | COMMISSIONER BURNS: Second. |
| 17 | CHAIRPERSON LINTON: It has been |
| 18 | moved and seconded where the Commission orders |
| 19 | the proposed rule making published. The |
| 20 | secretary will call the roll. |
| 21 | MS. MIXON: Commissioner Burns. |
| 22 | COMMISSIONER BURNS: Aye. |
| | |

| 1 | MS. MIXON: Commissioner Cohn. |
|----|------------------------------------------|
| 2 | COMMISSIONER COHN: Yes. |
| 3 | MS. MIXON: Commissioner Crocker. |
| 4 | COMMISSIONER CROCKER: Yes. |
| 5 | MS. MIXON: Commissioner Ferguson. |
| 6 | (No audible response.) |
| 7 | Commissioner Muhammad. |
| 8 | (No audible response.) |
| 9 | Commissioner Smalls. |
| 10 | (No audible response.) |
| 11 | Commissioner Tapscott. |
| 12 | COMMISSIONER TAPSCOTT: Yes. |
| 13 | MS. MIXON: Commissioner Linton. |
| 14 | CHAIRPERSON LINTON: Yes. A |
| 15 | majority having approved, the Commission |
| 16 | orders that the proposed rule making be |
| 17 | published. |
| 18 | The remaining proposed rules are |
| 19 | all for publishing, to enter in to the |
| 20 | regulatory process. They all constitute |
| 21 | modifications and variations on existing |
| 22 | regulations already in existence. And it |
| | |

| 1 | would order, unless council tells me |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2 | differently, to accept the motion to combine |
| 3 | all for a single vote. |
| 4 | COMMISSIONER COHN: So moved. |
| 5 | COMMISSIONER BURNS: I'm in favor. |
| 6 | CHAIRPERSON LINTON: Support for |
| 7 | that all of that, that's a procedure, all |
| 8 | in favor of combing these for a single vote as |
| 9 | aye. |
| 10 | (Chorus of ayes.) |
| 11 | Opposed? |
| 12 | (No audible response.) |
| 13 | The question is on adoption of a |
| 14 | rule to order proposed rule making published |
| | |
| 15 | for Chapter 4, 6, 8, meters, dome lights, and |
| 15 16 | for Chapter 4, 6, 8, meters, dome lights, and meter data; for the proposed rule making in |
| _ | |
| 16 | meter data; for the proposed rule making in |
| 16 17 | meter data; for the proposed rule making in Chapter 4 and 8, DDS fares for dispatch |
| 16 17 18 | meter data; for the proposed rule making in Chapter 4 and 8, DDS fares for dispatch taxicabs; and the proposed rule making Chapter |
| 16 17 18 19 | meter data; for the proposed rule making in Chapter 4 and 8, DDS fares for dispatch taxicabs; and the proposed rule making Chapter 12, 14, 16, and 17, the private sedan |
| 16 17 18 19 20 | meter data; for the proposed rule making in Chapter 4 and 8, DDS fares for dispatch taxicabs; and the proposed rule making Chapter 12, 14, 16, and 17, the private sedan services. This is one that I would urge |

| 1 | of, the industry panel's recommendation for |
|----|---------------------------------------------|
| 2 | regulating private sedan services. And |
| 3 | finally, a vote to approve publication |
| 4 | proposed rule making Chapter 2 definitions. |
| 5 | Are you ready for the vote? |
| 6 | (No audible response.) |
| 7 | The secretary will call the roll. |
| 8 | MS. MIXON: Commissioner Burns. |
| 9 | COMMISSIONER BURNS: Aye. |
| 10 | MS. MIXON: Commissioner Cohn. |
| 11 | COMMISSIONER COHN: Aye. |
| 12 | MS. MIXON: Commissioner Crocker. |
| 13 | COMMISSIONER CROCKER: Yes. |
| 14 | MS. MIXON: Commissioner Ferguson. |
| 15 | (No audible response.) |
| 16 | Commissioner Muhammad. |
| 17 | (No audible response.) |
| 18 | Commissioner Smalls. |
| 19 | (No audible response.) |
| 20 | Commissioner Tapscott. |
| 21 | COMMISSIONER TAPSCOTT: Yes. |
| 22 | MS. MIXON: Commissioner Linton. |
| | |

L

| 1 | CHAIRPERSON LINTON: Yes. A |
|----|------------------------------------------------|
| 2 | majority having voted in favor of publishing |
| 3 | for rule making purposes, the aforementioned |
| 4 | chapter amendments is adopted, and ordered |
| 5 | published. |
| 6 | Commissioner Cohn and Crocker, who |
| 7 | have other demanding needs, are excused if |
| 8 | they so desire. Thank you very much for your |
| 9 | attendance to make a quorum. |
| 10 | Commissioner Burns also says that |
| 11 | he's got to get street cars running. |
| 12 | COMMISSIONER BURNS: Thank you, |
| 13 | sir. |
| 14 | CHAIRPERSON LINTON: Commissioner |
| 15 | Crocker says his schedule has changed, and |
| 16 | he's going to stay so that it's not just |
| 17 | Commissioner Tapscott and I here absorbing the |
| 18 | blows to come. Thank you. |
| 19 | The next item 4, is government |
| 20 | communications and presentations. |
| 21 | Madam Secretary, do we have |
| 22 | anything from other agencies? |
| | |

| | rage 13 |
|----|------------------------------------------------|
| 1 | MS. MIXON: No, we do not. |
| 2 | CHAIRPERSON LINTON: All right. |
| 3 | The next item 5, General Counsel's report. |
| 4 | Does General Counsel have a report to make at |
| 5 | this time? |
| 6 | MR. LERNER: I do not. |
| 7 | CHAIRPERSON LINTON: Are there any |
| 8 | staff reports to be presented? |
| 9 | MS. MIXON: No, there are not. |
| 10 | CHAIRPERSON LINTON: Well then |
| 11 | move on to our public comment period. And let |
| 12 | me get my sign up list. We have four |
| 13 | individuals who have asked to speak, who have |
| 14 | five minute allotments. After that, if there |
| 15 | any individuals who still want to harangue the |
| 16 | Commission, they will be allotted two minutes |
| 17 | to do so. |
| 18 | May I call then on Ms. Ferline |
| 19 | Buie. Are you here? Yes, there you are. We |
| 20 | welcome you this morning. |
| 21 | MS. BUIE: Good morning. Good |
| 22 | morning, Commissioners. |
| | |

| | 1490 10 |
|----|------------------------------------------------|
| 1 | My name is Ferline Buie, and I'm |
| 2 | the president of Teamsters Local 922, in the |
| 3 | Washington, D.C. area. |
| 4 | I would like to thank you once |
| 5 | again for allowing me to speak again this |
| 6 | month. |
| 7 | We represent the D.C. taxicabs who |
| 8 | belong to more than 2000 members strong, |
| 9 | association that is affiliated with Teamsters |
| 10 | Local 922. |
| 11 | On March the 12th, the Commission |
| 12 | had voted to accept a petition from our |
| 13 | association to increase passenger fees and add |
| 14 | luggage and trunk fees. The move gets the |
| 15 | process towards to winning these long sort of |
| 16 | fees that will help D.C. taxi drivers all set |
| 17 | the amount and expenses. |
| 18 | We applaud the Commission's |
| 19 | action. And we look forward to working with |
| 20 | the Commissioner on this issue so that our |
| 21 | members will get a much needed increase. |
| 22 | Now today, you voted to approve |
| | |

| 1 | publication of proposed rule making for |
|----|------------------------------------------------|
| 2 | private sedans. This is another first step in |
| 3 | what our association has demanded. The |
| 4 | leveling of the playing fields is between taxi |
| 5 | drivers and the operators who drive for the |
| 6 | Uber X, Side Cars, Lyft, and other private |
| 7 | sedan services. These private sedan services |
| 8 | have been taking our member's work without |
| 9 | having a bid by any abide by any |
| 10 | regulations. This continues to happen every |
| 11 | hour of the day, putting thousands of drivers |
| 12 | and their families in economic peril. |
| 13 | The vote regarding the fees and |
| 14 | today's vote regarding regulations for the |
| 15 | private sedan service are both steps in the |
| 16 | right direction. |
| 17 | We will be evaluating today's |
| 18 | proposals as we learn more. And we look |
| 19 | forward to working with the Commissioner on |
| 20 | behalf of our members. |
| 21 | Our fight for fairness and justice |
| 22 | for the D.C. taxi drivers is ongoing. And we |
| | |

| 1 | have a lot of work to do. By working |
|----|------------------------------------------------|
| 2 | together, this will help insure that thousands |
| 3 | of D.C. taxicab drivers and their families |
| 4 | have the economic security they need and |
| 5 | deserve. We will not rest until we win |
| 6 | fairness for the hardworking men and women who |
| 7 | drive D.C. taxis, and who pay fees and taxes |
| 8 | to the city. |
| 9 | We look forward to working with |
| 10 | the Commissioner for the betterment of the |
| 11 | industry. Thank you. |
| 12 | CHAIRPERSON LINTON: Thank you, |
| 13 | Mrs. Buie. And I might say that I anticipate |
| 14 | that very quickly the panel on industry will |
| 15 | begin its meetings with stakeholders on the |
| 16 | matters raised in your petition, of your |
| 17 | organization. And we will move ahead on |
| 18 | evaluating that. And hopefully, within a |
| 19 | matter of a couple of months, be able to come |
| 20 | with what might be, if the Commission is in |
| 21 | agreement, a proposed regulation. |
| 22 | |
| | Addis Gebrelassie. Is Mr. |

      Gebrelassie here?
 2
                  (No audible response.)
                  Jesse Black. Is Jesse Black here

      with us?

                  (No audible response.)
                  Ziena Abraha.

 7
                  (No audible response.)
                  We have three sign ups who are not
 8
 9
      here.
10
                  Is there any other individuals who
11
      would like to address the Commission at this
12
      time?
13
                  Yes, ma'am. Would you please
14
      approach the podium and give us your name and
15
      affiliation, and proceed with what you have to
      say to the Commission.
16
17
                  MS. WARD: Yes. I am Martha Ward.
      I live in Ward 5, and we live in the community
18
19
      of Woodridge South, which is very effected by
20
      the taxicabs. We also have a taxicab garage
21
      coming, and that's where I'm going to ask for
22
      some points. I have three points to make.
```

| 1 | Our community is pleased that |
|----------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2 | you're going to have long-term parking, that's |
| 3 | it's going to be prohibited. Please better |
| 4 | define what long-term parking is so that no |
| 5 | wiggle room is allowed. |
| 6 | Also, please define short-term |
| 7 | parking for the same reason. |
| 8 | Woodridge South's concern is that |
| 9 | the cabbies can use parking spaces in our |
| 10 | community from two to ten hours or more, even |
| 11 | with short-term parking. |
| | |
| 12 | So we think that a better |
| 12 13 | So we think that a better definition should be included in your ruling. |
| | |
| 13 | definition should be included in your ruling. |
| 13 14 | definition should be included in your ruling. And the third is, are taxicabs |
| 13 14 15 | definition should be included in your ruling. And the third is, are taxicabs shops, repair shops, included in your |
| 13 14 15 16 | definition should be included in your ruling. And the third is, are taxicabs shops, repair shops, included in your definition for short-term and long-term the |
| 13 14 15 16 17 | definition should be included in your ruling. And the third is, are taxicabs shops, repair shops, included in your definition for short-term and long-term the short-term and the long-term prohibition? The |
| 13 14 15 16 17 18 | definition should be included in your ruling. And the third is, are taxicabs shops, repair shops, included in your definition for short-term and long-term the short-term and the long-term prohibition? The new repair shop that's coming only has four |
| 13 14 15 16 17 18 19 | definition should be included in your ruling. And the third is, are taxicabs shops, repair shops, included in your definition for short-term and long-term the short-term and the long-term prohibition? The new repair shop that's coming only has four parking spaces. And I know how it is when I |

| 1 | |
|----|------------------------------------------------|
| 2 | We thank you for considering these |
| 3 | things. Woodridge South looks forward to |
| 4 | continuing to work with you. |
| 5 | Thank you. |
| 6 | CHAIRPERSON LINTON: Thank you |
| 7 | very much. And I would comment, just a couple |
| 8 | of things for you. |
| 9 | First of all, what we did, as you |
| 10 | know, we will publish this rule. We have a 30 |
| 11 | day comment period. So it will be very |
| 12 | important for you and your organization to |
| 13 | submit your written comments to us on how you |
| 14 | think those definitions should be written in |
| 15 | there. How you think the provisions are. |
| 16 | It's open to you now to make the suggested |
| 17 | changes you think are necessary to achieve |
| 18 | what you want for your neighborhood. |
| 19 | I would only ask you to keep in |
| 20 | mind that there's a limit to the extent of our |
| 21 | authority. You have to work with DDOT and |
| 22 | MPD, in terms of the signage and what is |

| 1 | allowed on the streets. We don't have any |
|----|------------------------------------------------|
| 2 | authority over the parking period time, who |
| 3 | can park where. That's what we have done, |
| 4 | in our proposal, is to say to the companies |
| 5 | that have facilities, you have to have |
| 6 | arrangements that will keep the drivers from |
| 7 | having to violate the signs that are out |
| 8 | there. So that if you get DDOT to give you |
| 9 | short-term parking signs that you want, and |
| 10 | there's other place for them and they still do |
| 11 | it, rather than the driver's continuing to get |
| 12 | tickets for that, because it's no fault of |
| 13 | theirs, we'll go and get the companies to find |
| 14 | places that they have to put those vehicles. |
| 15 | MS. WARD: Well, we thank you. It |
| 16 | sounds like it can be a win-win situation. |
| 17 | And we have been working with transportation |
| 18 | and as well as the Metropolitan Police |
| 19 | Department. And we had, you, Mr. Linton, come |
| 20 | to our community meeting a few months ago. |
| 21 | CHAIRPERSON LINTON: Yes. |
| 22 | MS. WARD: So I think everybody |
| | |

```
1
     has a good heart. It's just getting the dust
 2
      settled.
 3
                  CHAIRPERSON LINTON: Well, we will
 4
      do it.
 5
                  MS. WARD: Thank you very much.
                  CHAIRPERSON LINTON:
                                       Thank you for
 6
 7
      appearing.
 8
                  Is Mr. Gebrelassie, or Mr. Black,
 9
      or Ziena Abraha, have any of them come in?
10
     Well, wait a minute. One at a time.
11
                  Okay. Mr. Gebrelassie. I hope I
12
      got that right.
13
                  MR. GEBRELASSIE: Yes, you did.
14
                  CHAIRPERSON LINTON: I've been
15
     working on it for three years.
                  MR. GEBRELASSIE: Yes, actually
16
17
      you can call be Addis from now on.
                  CHAIRPERSON LINTON: Okay.
18
                                              That's
19
      a -- you may proceed, sir.
20
                  MR. GEBRELASSIE: All right.
                                                My
21
      name is Addis. I am a cab driver. I have
22
     been driving for the last 12 years. I drive
```

| 1 | for Silver. And so just myself. |
|----|------------------------------------------------|
| 2 | I want you to understand that the |
| 3 | reason why I'm here now is on my written |
| 4 | statement; you can see it. |
| 5 | There are eight or more PSP |
| 6 | providers, which is all members are using. |
| 7 | Out of that choice, I believe there are about |
| 8 | eight now. About half of the PSP are provided |
| 9 | by taxi companies. |
| 10 | This means is that if the drivers |
| 11 | was a certain companies that has a PSP |
| 12 | providers, he or she must use that company |
| 13 | only. Because they are using their logo. I |
| 14 | don't even know how that happened, because, as |
| 15 | you know that you just give us eight options. |
| 16 | But this drivers are only limited to use only |
| 17 | one. |
| 18 | If their company not give them a |
| 19 | good service, they don't have any rooms to |
| 20 | choose whatsoever. |
| 21 | So some of the drivers stop which |
| 22 | the service they don't want. Some of them, |
| | |

| 1 | they have tag issues, which is really hard for |
|----|------------------------------------------------|
| 2 | them to transfer their tag to another company. |
| 3 | I believe, as you are aware of it, |
| 4 | there are several choices if the driver needs |
| 5 | to. But now, when I see some of our members |
| 6 | are complaining, because they didn't get good |
| 7 | service from their own companies or |
| 8 | whatsoever. |
| 9 | So we need a clear justification |
| 10 | about this drivers because they are stuck with |
| 11 | out of their choice. |
| 12 | The other issue that I am trying |
| 13 | to mention is I hope you would answer me this |
| 14 | question because it need a very important |
| 15 | issue, because most of the drivers are stuck |
| 16 | with one company. |
| 17 | The other issue is now, just like |
| 18 | drivers are complaining about, is some of |
| 19 | them, they just go in to the taxicab |
| 20 | commission to renew their faces. And |
| 21 | unfortunately, they are asked to pay \$50 for |
| 22 | a stamp, a limited stamp which is like I |
| | |

| 1 | believe it is a one stop card. We don't even |
|----|-----------------------------------------------|
| 2 | aware of it. I don't think that fee is voted |
| 3 | by any of you, which is not ever passed by. |
| 4 | But unfortunately, driver are get still |
| 5 | charged \$50 for one stop card, to stamp on |
| 6 | that. |
| 7 | CHAIRPERSON LINTON: On both of |
| 8 | those, Addis, I would invite you to make an |
| 9 | appointment with Mr. Scott to get more detail |
| 10 | and a better understanding of the PSP |
| 11 | relationship and issues, and what steps we |
| 12 | might consider for that. |
| 13 | On the one stop, yes, all the fees |
| 14 | have been approved. They were several months |
| 15 | ago. But we'll take another look at it. |
| 16 | MR. GEBRELASSIE: Okay. That's |
| 17 | all for now. |
| 18 | CHAIRPERSON LINTON: Okay. |
| 19 | MR. GEBRELASSIE: I hope we do |
| 20 | have a communication with you. |
| 21 | CHAIRPERSON LINTON: Thank you |
| 22 | very much. |

|----|------------------------------------------------|
| 1 | MR. GEBRELASSIE: In the future. |
| 2 | CHAIRPERSON LINTON: Did Jesse |
| 3 | Black come in? Jesse Black? |
| 4 | (No audible response.) |
| 5 | Ziena Abraha. |
| 6 | MR. ABRAHA: Good morning, Mr. |
| 7 | Chairman and the members of the Commission, my |
| 8 | fellow drivers in Washington, D.C., taxicab |
| 9 | drivers. |
| 10 | My name is Ziena Abraha. And I am |
| 11 | a D.C. taxi driver. Also, I live in the |
| 12 | capital city of Washington, D.C. |
| 13 | I also serve on one, the |
| 14 | leadership council of the Washington, D.C. |
| 15 | Taxicab Operator Associate. |
| 16 | One, the private sedan services |
| 17 | such as UberX, Lyft and Sidecar are operating |
| 18 | legally in our nation capitol. |
| 19 | Second, there are being allowed to |
| 20 | operate right now. Also, the city council, |
| 21 | especially the two people, they know what they |
| 22 | are doing. |
| | |

| 1 | Third, the Taxicab Commission, |
|----|------------------------------------------------|
| 2 | hack inspector, the police, the city council |
| 3 | all should enforce the law. The companies |
| 4 | should not be allowed to operate illegally and |
| 5 | take away our business. No more took money, |
| 6 | right now we are talking about power. |
| 7 | Thank you so much. |
| 8 | CHAIRPERSON LINTON: Thank you. |
| 9 | And let me advise all of you that the existing |
| 10 | law does not allow the Commission to take |
| 11 | action against the companies who enter into |
| 12 | contracts with the drivers operating |
| 13 | illegally. It does, however, allow us to |
| 14 | enforce on those drivers who are operating |
| 15 | illegally, enforcement. And that the hack |
| 16 | inspectors, plus our partners from the MPD, |
| 17 | the Capitol Police, Park Police, and the |
| 18 | Uniformed Division of Secret Service, all have |
| 19 | been advised and counseled, and all effort is |
| 20 | being made to enforce to the degree we're |
| 21 | capable of enforcing the removal of illegal |
| 22 | operations of taxicabs in the city. So we are |

| 1 | pursuing that. |
|----|------------------------------------------------|
| 2 | Is there anyone else in the |
| 3 | audience who at this time would like to |
| 4 | address the Commission? |
| 5 | (No audible response.) |
| 6 | If not, let me close by saying to |
| 7 | all of you were all aware of course, that |
| 8 | the city council, in the last several days, |
| 9 | has introduced two pieces of legislation; a |
| 10 | reorganization plan that would essentially |
| 11 | terminate the existence of this Commission as |
| 12 | you know it, and place its activities in a new |
| 13 | authority; and a second piece of legislation |
| 14 | which borrows from the regulation that we're |
| 15 | going to publish this week for deregulating |
| 16 | meter cabs to meet the competition of private |
| 17 | sedans; it also contains a number of other |
| 18 | provisions. I urge all of you to review those |
| 19 | provisions in both, and make your judgments |
| 20 | and decisions what is effective, what is good |
| 21 | for you, what is not good for you, and carry |
| 22 | those thoughts, not here to the Commission but |

| 1 | to the council. As we have no ability to |
|----|------------------------------------------------|
| 2 | and do not intend to lobby the council, only |
| 3 | to give our technical opinion and advise as |
| 4 | asked for. |
| 5 | In the interim, as the council |
| 6 | proceeds to work on their legislation, we will |
| 7 | continue the work that we set out, our work |
| 8 | plan and our activities, until we're advised |
| 9 | by either the mayor or by law to stop doing |
| 10 | it. And so, we intend to continue to work on |
| 11 | those programs and activities that we are |
| 12 | currently working on. |
| 13 | So with that, we will hope that |
| 14 | you all will be here for the public hearing on |
| 15 | the end of this month, on the proposed special |
| 16 | for the private sedans, and for our meeting |
| 17 | in June when we will take up other matters. |
| 18 | So with that, we'll stand in |
| 19 | adjournment. Thank you very much. |
| 20 | (Whereupon, the above-entitled |
| 21 | matter was concluded at 10:29 |
| 22 | a.m.) |
