

GOVERNMENT OF THE DISTRICT OF COLUMBIA
TAXICAB COMMISSION

Office of the Chairman

DATE: September 21, 2012

SUBJECT: New Vehicle Registration Application

After a review of licensed taxicab and limousine vehicles, the Commission is updating the policy on some new vehicle registrations. On October 15th 2012, the Commission will start accepting registrations for new vehicles by taxicab or limousine companies defined as any group of not less than 20 vehicles under common management. Additionally, certain policies on the acceptance of applications remain in effect indefinitely. Below is a summary of policy updates and policies in effect.

Policy updates

- Only taxicab companies and or limousine companies with 20 or more vehicles that have provided the Commission with an electronic copy of their vehicle list report will be allowed to register new vehicles.
- The signature of a taxicab company or limousine company officer will be required on the One Stop Form for vehicles affiliated with a taxicab or limousine company.

Policies remaining in effect

- The Commission is not accepting any applications for new taxicab or limousine companies.
- The Commission will continue its suspension of the issuance of new independent taxicab vehicle numbers.
- Taxicab operators or owners will be allowed to make an equipment change provided the registration, tags, and insurance remain valid.
