Dear Neville,

On behalf of Columbia Lighthouse for the Blind and our client population, thank you for your generous donation of a Metro Access Van.

The kindness of Columbia Lighthouse for the Blind donors enables us to fulfill our mission of providing programs and services to individuals who are blind and visually impaired in helping them obtain and maintain greater independence. We will utilize the van to transport our consumers to social activities, appointments, and programs.

If you have any questions regarding our work, or if there is additional information we can provide for you, please do not hesitate to contact me at (240) 737-5185 or kalfonso@clb.org. Once again, thank you.

Kim Greenfield Alfonso
Sincerely,
