The District of Columbia Taxicab Commission (Commission), pursuant to the authority set forth in Sections 8(b)(1) (C), (D), (E), (F), (G), (I), (J), 14, and 20 of the District of Columbia Taxicab Commission Establishment Act of 1985 (“Establishment Act”), effective March 25, 1986 (D.C. Law 6-97; D.C. Official Code §§ 50-307(b)(1) (C), (D), (E), (F), (G), (I), (J) and 50-319 (2009 Repl.)); D.C. Official Code § 50-313 (2009 Repl.; 2012 Supp.); D.C. Official Code § 47-2829 (b), (d), (e), (e-1), and (i) (2012 Supp.); Section 12 of the 1919 District of Columbia Taxicab Act, approved July 11, 1919 (41 Stat. 104; D.C. Official Code § 50-371 (2009 Repl.)); and Section 6052 of the District of Columbia Taxicab Commission Fund Amendment Act of 2012 (Commission Fund Amendment Act), effective September 20, 2012 (D.C. The Commission also hereby gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the publication of this notice in the *D.C. Register*.

Chapter 4, TAXICAB PAYMENT SERVICE PROVIDERS, of Title 31, TAXICABS AND PUBLIC VEHICLES FOR HIRE, of the DCMR, is amended to read as follows:

CHAPTER 4 TAXICAB PAYMENT SERVICES

400 APPLICATION AND SCOPE

400.1 The purpose of this chapter is to establish substantive rules for the administration and operation of payment service providers (PSPs) who provide the modern taximeter systems (MTSs) required by § 603 of this title, and for the integration of MTSs with registered dispatch services, including rules applicable to both PSPs and dispatch services, to ensure the safety of passengers and operators, for consumer protection, and to collect a taxicab passenger surcharge.

400.2 The provisions of this chapter shall be interpreted to comply with the language and intent of the District of Columbia Taxicab Commission Establishment Act of 1985, effective March 25, 1986 (D.C. Law 6-97, D.C. Official Code §§ 50-301 *et seq.*).

400.3 In the event of a conflict between a provision of this chapter and a provision of another chapter of this title, the more restrictive provision shall control.

401 GENERAL REQUIREMENTS

401.1 Each person interested in being licensed by the Office of Taxicabs (Office) as a PSP to market an MTS to taxicab owners pursuant to § 603 shall apply for and obtain approval of its proposed MTS under this chapter.

- (a) Development (including those which may arise in the review process under § 404 and those associated with adding the passenger console and safety feature required by § 603.8 (n));

403 PROPOSED MODERN TAXIMETER SYSTEMS – APPLICATIONS BY PSPs

403.1 No person shall operate as a PSP, process an in-vehicle payment for a taxicab trip, market MTS units, or allow another person to use its MTS units, unless such person is a PSP with current approval of its MTS under this chapter. The approval of a PSP's modern taximeter system under this chapter shall constitute the PSP's operating authority under this title.

403.2 Each person seeking approval of a proposed MTS shall file with the Office an application that includes the following information (including such documentation as required by the Office):

- (g) The address and telephone number for the PSP's bona fide administrative office or for its registered agent authorized to accept service of process, information showing that the PSP's bona fide administrative office, if any, is in compliance with all laws, rules, and regulations concerning the operation of a place of business in the District, and an indication of whether a place of business would be shared with an affiliated business;
- (h) The customer service telephone number that the PSP will provide for passengers;
- (i) The technical support telephone number that the PSP will provide for taxicab owners and operators;
- (j) The URL for the PSP's website, if any;

403.3 Each application shall be made under penalty of perjury, and shall be accompanied by an application fee of one-thousand dollars (\$1,000) and by a surcharge bond.

403.4 A request for approval may be denied if an application contains or was submitted with materially false information provided orally or in writing for the purpose of inducing approval.

404 REVIEW PROCESS

404.1 The PSP shall bear the burden of establishing to the satisfaction of the Office that its proposed MTS meets all the requirements of this chapter and §§ 603.8 and 603.9.

404.2 An applicant may be scheduled for one or more demonstrations of its proposed MTS equipment, where the Office's technical staff shall examine and test the equipment and ask questions of the PSP's technical staff, who shall attend.

404.3 A request for approval may be denied if the applicant does not cooperate with the Office during the review process, or if applicant provides materially false information orally or in writing during the review process for the purpose of inducing approval.

404.4 The Office may use any information or documentation it acquired from the applicant during an MTS pre-approval process, if such process was used by the PSP. Pre-approval of a proposed MTS shall not entitle a PSP to approval under this chapter.

405 DECISION TO GRANT OR DENY

405.1 The Office shall complete the review process and issue its decision to grant or deny approval of a proposed MTS within thirty (30) days after the application is filed, provided however, that such period may be extended by the Office for no more than ten (10) days with notice to the PSP whenever the Office has five (5) proposed MTSs under review.

405.2 If the Office denies approval on any ground, it shall state the reasons for its decision in writing.

405.3 A decision to deny approval may be appealed to the Chief of the Office within fifteen (15) business days, and, otherwise, shall constitute a final decision of the Office. The Chief shall issue a decision on such appeal within thirty (30) days. A timely appeal of a denial shall extend an existing MTS approval pending the Chief's decision. A decision of the Chief to affirm or reverse a denial shall constitute a final decision of the Office. A decision of the Chief to remand to the Office for further review of the MTS shall extend an existing MTS approval pending the final decision of the Office.

405.4 An approval shall continue in effect for twelve (12) months, during which time no substantial change shall be made to an approved MTS without written approval from the Office. A PSP shall promptly inform the Office of a proposed substantial change that would require written approval. A PSP's integration with a DDS, including the submission of a proposed integration agreement, shall not constitute a substantial change.

405.5 Each approved MTS shall be listed on the Commission's website.

406 RENEWAL APPLICATIONS

406.1 Each approved MTS shall be submitted for renewal of its approval at least sixty (60) days prior to the expiration of the approval, unless the Office provides otherwise in writing. The procedures applicable to new applications shall apply to renewal applications, except as otherwise required by the Office.

406.2 An approval shall continue in force and effect beyond its expiration period during such time as an application for re-approval is pending in proper form.

406.3 Renewal of MTS approval shall require that the MTS be in compliance with all applicable provisions of this title, and other applicable laws in effect at the time renewal is sought.

407 SUSPENSION OR REVOCATION OF APPROVAL

407.1 The approval of an MTS may be suspended or revoked by the Office with reasonable notice and an opportunity to be heard if the Office learns that the MTS or the associated owners or operators using are not in substantial compliance with this title, or if that the MTS is being used in a manner that poses a significant threat to passenger or operator safety, or consumer protection.

- (b) The Office may remove a vehicle or operator from a PSP's inventory at any time with reasonable notice and an opportunity to be heard if a vehicle or operator on the inventory is not legally authorized to operate, or in the event an MTS unit is not legally authorized for use (such as where a vehicle inspection reveals the MTS unit has been tampered with).

- (e) A surcharge bond provided to the Office by a PSP or by a DDS shall be returned within thirty (30) days following an event that causes such business to lose its operating authority under this title, provided, however, that the surcharge bond shall not be returned while there remains a discrepancy concerning a passenger surcharge owed or paid to the District by any person.

408.16 Digital payment requirements. Each PSP and each DDS shall comply with the following requirements for integration of their services, except that this section shall not apply to a digital payment where the PSP and the DDS are affiliated businesses.

(a) Integration mandated.

(1) Each PSP shall:

- (A) Allow each taxicab company and independent owner to which it provides its MTS to associate with one or more DDSs with current operating authority under Chapter 16 that extends to providing digital payment;
- (B) Integrate as provided in this section with each DDS that has existing operating authority under Chapter 16 for digital payment, within sixty (60) days of receiving approval of its MTS under this chapter, and, thereafter, shall remain integrated while both businesses continue to have operating authority; and
- (C) Integrate as provided in this section with each DDS that obtains new operating authority under Chapter 16 for digital payment, within sixty (60) days of when the DDS obtains such authority and, thereafter, shall remain integrated while both businesses continue to have operating authority.

(2) Each DDS shall:

- (B) Integrate as provided in this section with each PSP that obtains approval of a new MTS under this chapter, within sixty (60) days of such approval and, thereafter, shall remain integrated while both businesses continue to have operating authority.

(3) Prior to a deadline by which a PSP or DDS is required to integrate under by paragraph (a)(1) or (a)(2) of this subsection, each digital

payment shall be processed by the PSP and any DDS participating in a transaction may charge a separate booking or dispatch fee as permitted by § 801;

- (4) Each PSP and each DDS required to integrate under paragraph (a)(1) or (a)(2) of this subsection shall integrate and maintain integration at its own cost and expense, but may allocate such cost and expense as provided in an integration agreement; and

(b) Integration requirements.

- (1) Each PSP and each DDS may execute an integration agreement pursuant to paragraph (b)(3) of this subsection.
- (2) Minimum requirements for integration. Where a PSP and a DDS have not executed an integration agreement pursuant to paragraph (b)(3), they shall integrate in a manner that allows them to do the following for each taxicab trip where a digital payment is selected by the passenger, in the following order:
 - (A) At the end of the trip, the operator shall indicate through the MTS unit that the trip is complete and the method of payment is digital payment;
 - (B) The PSP shall transmit to the DDS through an application program interface:

- (3) Alternative requirements for approved integration agreements. In lieu of complying with paragraph (b)(2) of this subsection, any DDS and any PSP may negotiate an integration agreement that allocates the obligations set forth in paragraph (b)(2) in any reasonable, reliable, verifiable, and commercially reasonable manner that meets the following requirements:
- (A) The parties shall submit the integration agreement to the Office for its review. Approval of the agreement shall be granted where the Office determines that all of the following requirements are met:
 - (i) The passenger surcharge will be collected from the passenger and paid to the District for every trip, which shall require a DDS to comply with § 408.15 if the agreement requires the DDS to collect the surcharge from passengers and make the payments to the District;
 - (ii) The MTS requirements in Chapter 6 will be met, including those for the collection and reporting of trip data and validation of the operator;
 - (iii) Each party will be in compliance with all applicable provisions of this title, except for those in paragraph (b)(2) of this subsection; and
 - (iv) The agreement and its implementation will not threaten the safety of passengers, operators, or the public, or consumer protection.
 - (B) Each integration agreement shall be reviewed and a decision to approve or reject the agreement shall be made within ten (10) business days, and, in the event of a denial, shall be subject to the appeal procedures in § 405

applicable to MTS review, and, thereafter, shall constitute final decisions of the Office.

- (C) If an integration agreement is approved, the parties to such agreement shall comply with its terms while both parties continue to have operating authority, and shall immediately notify the Office in the event the agreement has been terminated, nullified, or rendered void or unenforceable, providing to the Office the date and time at which such event occurred, and, thereafter, the parties shall comply with the provisions of paragraph (b)(2) of this subsection.
