To whom it may concern

I was visiting DC for a vacation, I was in a taxi on my way back from a day of shopping when I realized I did not have my wallet.

I honestly thought with over 200.00 in cash in it I'd probably never see it again.

I was thrilled to receive a letter that the company had my wallet with all its contents including my cash!! Thank you to Girma Yitelelu the driver for his honesty, I can't express how much it is appreciated!

Also thank you to the persons in the office who found me and returned my wallet to Phoenix.

Much gratitude!
